Swedish Lapland: Arctic Duo – Kiruna & Abisko

Huskies, snowmobiles & the ultimate Northern Lights escape.

Day 1, Day 1, Arrival in Kiruna

Welcome to Swedish Lapland! Arrive at Kiruna Airport and enjoy a comfortable transfer to your hotel. Settle in and take your first breath of the crisp Arctic air as you prepare for the snowy adventures ahead. Overnight in Kiruna.

Day 2, Dog Sledding & Snowmobile Northern Lights Chase

Begin your day with a serene dog sled ride through the snowy wilderness near Jukkasjärvi. Seated on reindeer skins, glide behind a team of huskies along frozen trails, guided by an experienced musher. After the ride, enjoy Swedish fika by the fire in a traditional tipi.

In the evening, gear up for an exhilarating snowmobile ride in pursuit of the Northern Lights. After a safety briefing at the Laxforsen base, set off in pairs across remote Arctic terrain far from city lights. Stop to warm up by an open fire with sandwiches and hot drinks as you scan the skies for a glimpse of the aurora. A thrilling night under Lapland's stars. Overnight in Kiruna.

Day 3, Visit to ICEHOTEL & Jukkasjärvi Village

This morning, journey to the iconic ICEHOTEL and the historic village of Jukkasjärvi. Explore the stunning ice art exhibition at your own pace, then visit Sweden's northernmost church, dating back to 1607. Meet reindeer at the Nutti Sami Siida and learn about Sami culture and Kiruna's past from your local guide. A perfect mix of art, heritage, and Arctic tradition. Overnight in Kiruna.

Day 4, Arctic Wildlife Safari by Snowmobile

Set out on a 6-hour snowmobile safari through the forests and mountains surrounding Kiruna. With your Sami guide, travel along scenic trails near the Kalix River in search of moose, reindeer, grouse, and other Arctic wildlife. Spot animal tracks in the snow and hear stories of traditional reindeer herding and life in the Sámi north. Enjoy a warming lunch of local Sami dishes before returning to town as the polar twilight settles in. Overnight in Kiruna.

Day 5 Transfer from Kiruna to Abisko

After breakfast, check out and travel north through the Arctic landscape to the remote village of Abisko. Surrounded by mountains and wilderness, Abisko is one of the best places in the world to witness the Northern Lights. Settle into your new base and enjoy the quiet of Lapland's high north. Overnight in Abisko.

Day 6, Hike in Abisko National Park & Aurora Sky Station Visit

Begin your day with a gentle guided hike through Abisko National Park. Walk along frozen river canyons, through birch forests, and past panoramic views of Lake Torneträsk. Your expert guide shares stories of Sámi culture, wildlife tracking, and Arctic life as you explore 3–4km of scenic trails at a relaxed pace.

In the evening, ascend Mt. Nuolja by chairlift to the legendary Aurora Sky Station—900m above sea level. From this remote, light-free vantage point, witness the stars above and, if luck is on your side, the Northern Lights dancing across the Arctic sky. Includes guide, lift tickets, warm clothing, and station access. Overnight in Abisko.
